Being Together as Woody Nook

During this new sermon series, we will focus on why we gather together as Woody Nook, using our recent vision statement as a starting point.

We will explore themes of what the church is and to what the church is called.

We want the people of Woody Nook to have a clearer grasp of what we are about and why we gather—even digitally—together.

The three main themes are Reaching Up—God-ward, Reaching In—Caring for one another, and Reaching Out—Being a signpost of God's kingdom in our communities.

CRC's Faith Practices Project

If there's one important thing Christians are learning from the COVID-19 pandemic, it may be this: each of us is responsible for our own relationship with God.

Starting in September 2020, Faith Formation Ministries invites you to participate in the Faith Practices Project—a journey into twelve spiritual disciplines

Vision Statement

We are a multi-generational community, desiring to continually draw closer to our Triune God, walking together through life's journey, and blessing our neighbors in tangible ways.

Mission Statement

Together, we will reflect Christ to those inside and outside our community of faith, encouraging one another toward continual growth, developing relationships, fostering fellowship, and by serving.

Core Values

1. We worship and enjoy God in all aspects of daily life.
2. We are led by Word and Spirit within the Reformed tradition.
3. We are intentionally intergenerational.
4. We serve generously with our resources and our time.
5. We strive to be a non-judgmental, supportive, and welcoming community.
6. We desire to continuously learn, grow, and share.
